

Petition – asking for a crossing etc

King Street

Sandhurst

13th June, 1873

To the Mayor and Councillors of the City of Sandhurst

Gentlemen,

We, the undersigned, ratepayers of King Street most respectfully wish to draw your attention to the disgraceful manner in which King Street has been left by the contractors. We allude to the small reservoir or mud hole opposite Mrs. Davis's property. We would suggest that a stone channel be pitched across the road, as a box drain would be insufficient to carry the storm water.

Yours respectfully,
