

Petition – to retain Mr Gadd at the Botanic Gardens

White Hills Sandhurst
24th April 1874

To His Worshipful The Mayor and Councillors of The City of Sandhurst

Gentlemen

We the undersigned Residents of The White Hills, Epsom &c understanding from the report of The Council's Meeting of Friday last in the Advertiser of the 11th instant that it is the intention to remove Mr Gadd from his charge of The Botanic Gardens at the White Hills beg respectfully to protest against the removal.

Mr Gadd has transformed what was formerly almost a wilderness into a pleasant place of resort, and one that is now largely and increasingly patronised.

Mr Gadd's efforts and his obliging manners have been much appreciated by your petitioners and we feel confident if he is removed that the gardens will speedily resume their former unsightly appearance, and the number of visitors consequently reduced also.

Your petitioners would respectfully call your attention to the fact that Mr Gadd can with just as much advantage to the Sandhurst Reserve superintend its improvement from his present residence as he can attend to the White Hills Botanic Gardens from Sandhurst

Under these circumstances your petitioners would respectfully urge upon the Council to reconsider the matter and retain Mr Gadd in his present position
