

Petition – Repairs to Weir’s Bridge

To the Worshipful the Mayor and Councillors of the City of Sandhurst

Gentlemen

The humble and respectful petition of the undersigned ratepayers residing on the Bullock Creek Road in the Sutton Ward

Showeth that the Bridge (known as Weir’s) at the south western boundary of the City was carried away by a Flood in the Bendigo Creek about 20 months since and has not been restored which is the greatest inconvenience to your petitioners as the traffic which is very considerable is entirely stopped producing great delay, loss of time, and considerable inconvenience as in many cases a circuit of a mile and a half is occasioned by it. We therefore pray you will kindly have the said Bridge or crossing restored without any further loss of time
