

Petition – against Great Britian Co damaging Burrowes Street

Golden Square

20 March 1873

To His Worship the Mayor and City Councillors Sandhurst

Gentlemen,

We the undersigned Ratepayers residing in Burrows Street beg most respectfully to call your attention to the encroachment being made by the Great Britain Compy. running the tailings from their crushing machine on said street.

The Council have lately spent a considerable amount of money in forming Burrows St. also erecting a foot bridge across the gully should the company be allowed to run tailings, sludge etc. on the line of Street as at present this bridge will be of no use whatever as all traffic that way will be stop'd. Trusting the Council will see into the matter,

We are

Yours Resply.
