October 4th 1872

To the Mayor and City Council of Sandhurst

Gentlemen

The Petition of the Undersigned ratepayers of Hargreaves Street West and its vicinity humbly prays that you would order steps to be taken to have the western portion of Hargreaves Street formed and made passable from the Baptist Chapel as far as the Short Street crossing there being now a great number of new buildings in this locality every Allotment on each side of the Street (with one exception) having been built on and there being the greatest need for a passable thoroughfare now in this portion of one of the leading streets of the city. And likewise draw your attention to the urgent necessity to have that dangerous excavation in the Street at the Bridge covered over

And your petitioners will every pray
