

Petition – Asking for extension of Barnard Street

To the Worshipful the Mayor and Members of the City Council Sandhurst

We the undersigned ratepayers, residing in New Chum Gully, (Sutton Ward) respectfully ask that you will extend the formation of Barnard street from the residence of Mr Lazarus towards Specimen Hill, on the North Side of New Chum Gully Since the first rate toll was struck for the Borough, our names have been on it, and we have endured great hardships through not having a road made in travelling to and from Sandhurst, and the reason we did not petition the Council before, was the scarcity of householders in the neighbourhood, but now that the population has increased in this busy neighbourhood, We hope that our claim, will not be made in vain

We are respectfully yours

[15 March 1872]

To the Worshipful the Mayor and
Members of the City Council Sudbury

We the undersigned ratepayers, residing
in New Chum Gully, (Tutton Ward) respect-
fully ask that you will extend the
formation of Bernard Street from the
residence of Mr. Lazarus towards Specimen
Hill, on the North Side of New Chum Gully
since the first rate roll was struck
for the Borough, our names have been
on it; and we have endured great
hardships through not having a
road made in travelling to and from
Sudbury, and the reason we did not
petition the Council before, was the
scarcity of householders in the
neighbourhood, but now that the
population has increased in this
busy neighbourhood, we hope that
our claim, will not be made in vain

We are respectfully yours

The Surveyor Reports

That the road as surveyed years ago has
been leased for years. There are shafts and
buildings on the line -

To form a road it will be necessary to
deviate and pass through leases -

From Lily Street to Booth St a distance of
about 28 chains - I estimate will cost
£160 for a road 25 feet wide -

after arrangements are made for passing
through leases -

George R. Bellamy
Surveyor
309 April 1872

From Lely St to North St about 28 ch
 Dennis & ~~Wm~~ ~~Wm~~ ~~Wm~~ on direct line of
 Barnard St dist can be found only by
 going through leaves a circumlocution

28 ch say 2 per ch for 25' ¹⁵⁶

140 extra with 1/2 per ch

about 3 in 100 of 15' each

Gravel -

156

15. 3.
