

Petition – Ratepayers High St for footpath from Maple to Fir St

To the Mayor and Council of the Borough of Sandhurst

Gentlemen.

We the undersigned ratepayers beg most respectfully to make application to have the channel on the south side of the Main Street at Golden Square kerbed and channelled from Mr Cannings dwelling to Fir Street

The earth from the footpath and road is continually falling into the Channel owing to the want of kerbing. There is very bad drain in this part of the road owing to the lowness of the ground in some places and the water lodges and becomes stagnant
