

Petition – Lamp main crossing Charcoal Gully

To His Worship [...]
of the Borough of Sandhurst

Gentlemen,

We the undersigned ratepayers of Sandhurst most respectfully beg to bring under Your Notice, the great necessity of a Lamp being placed at the Main Crossing of Charcoal Gully. For as there is no road to indicate the exact position of the turn off, it becomes truly dangerous of dark nights, and as it is a place of great traffic, the only wonder is, that up to the present time, no accident of a serious nature has taken place. It is the main road for the residents of Sheepshead, Golden Gully [...] and a large surrounding neighborhood, and would be a great boon to the general public.

Therefore Gentlemen we beg you will grant our desire, and cause a Lamp to be placed there.

We are Gentlemen Your Obedient Humble Servants.

Gentlemen.

We the undersigned ratepayers of Sandhurst, most respectfully beg to bring under your notice, the great necessity of a Lamp being placed at the main crossing of Chancel Gully, for as there is no road to indicate the exact position of the turn off, it becomes truly dangerous of dark nights, and as it is a place of great traffic, the only wonder is, that up to the present time, no accident of a serious nature has taken place. It is the main road for the residents of Sheephead, Golden Gully, &c. &c. and a large surrounding neighbourhood, and would be a great boon to the general public. Therefore Gentlemen we beg you will grant our desire, and cause a Lamp to be placed there.

We are Gentlemen Your Obedient
