

Petition - for formation of Hargreaves Street East

Hargreaves St. East

Sandhurst 12th June 1873

To his Worship the Mayor & Councillors of Sandhurst

Gentlemen,

The residents of Hargreaves Street East again most respectfully petition that the street opposite their dwellings might be formed.

Our former statement respecting the unhealthiness of the locality confirmed by a certificate from two medical men (Drs. Atkinson & Penfold) we still urge upon your consideration. We have also to add that the state of the road prevents all communication with our houses by cart or vehicle and we are compelled to carry firewood and the other necessities of life from Bernal Street. We earnestly trust that this very necessary work will be proceeded with, with as little delay as possible.

We have the honor to be
Gentlemen
Your obedient servants.
