

## **Petition – Water Reserve Bridge Street**

To the Mayor & Council of the Borough Council Sandhurst

Sandhurst  
14 June 1871

We the undersigned beg most respectfully to draw your attention to the fact that the land lately comprising the Water reserve has been applied for as a Mining Lease.

We have most of us been residents on the land for several years and have lately paid the survey fees for our several allotments and they have been gazetted for sale. We have therefor continued to improve our holdings on the faith of purchase and shall feel it a very great hardship if we are deprived of what we considered so sure.

We would also mention the great difference to the Borough funds in their having so large a number of ratepayers added to the Roll.
