Sheepwash Road, June 3, 1873

G.A. Fletcher Esqre.  
Town Clerk  
Sandhurst  
Sir

We, the undersigned Ratepayers & property owners in the above locality have the honor to renew our application dated Sept. 10<sup>th</sup> 1872 “for footpath to be made” . Your reply No. 470 Oct 18/72 “referred to the Surveyor for report” not having had the desired effect. There is also almost total darkness, the only lamp in the neighbourhood being at Jacksons Corner Kennedy St. & the present state of the roads renders night travelling very dangerous near open worked-out brick yard pits.
