

Prayer – Impassable state of footpath Mclvor Road

Sandhurst September 10 1872

To the Right Worshipful The Mayor & City Councillors Sandhurst

Gentlemen

We have the honor to ~~apply~~ call your attention to the impassable state of the footpath on the east side of the Sheepwash road, from Mclvor road. The cutting of the channel necessitates the forming of the footpath which we the undersigned resident landowners respectfully ask shall be done

We have the honor to be Gentlemen
Your obt. humble Servants

Recd. 16/10/72

Sandhurst September 10 1872

To the Right Worshipful
The Mayor &
City Councillors
Sandhurst
Gentlemen

We have the honor to ~~apply~~
call your attention to the
impassable state of the footpath
on the east side of the Sheppards
road, from the Ash road. The
cutting of the channel necessitates
the paving of the footpath, which
we the undersigned ^{land owners} residents, respectfully
ask shall be done

We have the honor to be
Gentlemen

Your obt. humble servants
James Boyd
Alfred Adworth.

Report to Surveyor for Report

1871/10/72

W. H. A. J.

The surveyor has the honor to report that from
the first road to the 11th mile a large
portion of the road has not been found
but the surface has been repaired and
a drain has been cut along the roadside.
It would be inadvisable to form a
permanent footpath until it is also
widened to form the road - an
expansion of 48 or 10 would
make a temporary footpath
after the permanent road.

George R. Williams
Surveyor

25/10/72

Applicable state
of road
with a path 71/10
