

## **Petition – Complaining of the state of Honeysuckle Street**

To The Worshipful the Mayor & Members of the City Council of Sandhurst

The Memorial of the undersigned inhabitants of the neighborhood of Honeysuckle Street

Sheweth That your Memorialists are suffering very great & serious inconvenience & loss from the present impassable state of the said Street, which they are quite satisfied will be apparent on inspection, particularly at that part of the Street opposite Mr J. J. Selfe's House & northward towards Webster Street.

Your Memorialists therefore pray that you will be pleased to have the Street made passable with as little delay as possible

And your Memorialists will every pray &c

Matthew Harvard

The Surveyor Reports - Five chains of Honeycreek St -  
South of Harvard Street - quite impassable - to form  
1/2 chain & provide culvert will cost £40 -  
Then to Marlborough St not very bad, the grub  
stumps & pile holes - - cost - 10 -  
From Harvard Street to Webster Street  
16 chains - to grub stumps and  
break rocks down & pile holes would  
improve at a cost of £25 to £30 - 30 -  
but it is so sideling & hilly that  
to form would cost for 22 feet wide  
probably £80 to £100 -

George R A Stearns  
Surveyor
