His Worship the Mayor & Councillors of the City of Sandhurst
Gentlemen,

We the undersigned residents and ratepayers most respectfully beg to draw your attention to a dam of stagnant water laying on Shamrock Street South which comes from High and Shamrock St North, and which has no means to escape to the creek. If there is not something done in the matter disease must be engendered. We therefore most respectfully request that you will pass an amount for removing the evil and as in duty bound we shall ever pray.
