

Petition – Extension of Wattle Lane

Sandhurst May the 10th 1872

To his Worship the Mayor and to the members of the Sandhurst City Council

Gentlemen:

We the undersigned beg most respectfully for an extension of Wattle Lane towards the Iron Bark Gully, which would be a great convenience to the residents of Wattle Lane and vicinity.

We beg to state most respectfully that owners of allotments on the terminus of Wattle Lane have already erected expensive buildings, facing the part of the Lane in question, and unless this is done, the owners of the aforesaid allotments would have no access to their property.

Hoping that the Council will take the above into consideration and settle the question to the benefit of the residents of the aforesaid part of Iron Bark, we remain gentlemen very respectfully your most obedient servants.

Sandhurst May the 10. th. 1872.

To His Worship the Mayor and to the members
of the Sandhurst City Council.
Gentlemen:

No the undersigned beg most respectfully
for an extension of ^{his} Wattle Lane towards the
Crown Gate Gully, which would be great conve-
nience to the residents of Wattle Lane and
vicinity.

We beg to state most respectfully that owners of allotments on the terraces of Castle Lane have already erected expensive buildings, facing the part of the Lane in question, and unless this is done the owners of the aforesaid allotments would have no access to their property.

Hoping that the Council will take the above
inconsideration and settle the question to the benefit
of the residents of the aforesaid part of Iron
Lake, we remain gentlemen very respectfully
your most obedient servants.
