

Petition – View Point ratepayers re flagging

Sandhurst 13 July 1871

To the Mayor & Councillors of the Borough of Sandhurst

Gentlemen

We the undersigned ratepayers of the Sutton Ward of the Borough of Sandhurst beg to submit

That the stone flagging of the pathway, from the corner of Forest Street S (Royal Hotel) round View Point to the corner of M[...] Street ([...] Hotel) is in a very shabby, uneven, and [...] condition owing to the ordinary wear and tear from the traffic, the continual disturbance by Water Works and Gas Cos needs, and the extensive building operations in the locality, which latter of course will add very considerably to the rates derived from the [...]

We therefore most respectfully request, that the said footpath be taken up, relaid, and thoroughly repaired where required, and we trust you will give this application your most favourable consideration as early as possible.

Sandhurst 13 July 1871

To the Mayor & Councillors
of the Borough of Sandhurst
Gentlemen

We the undersigned ratepayers
of the South Ward of the Borough of Sandhurst
do hereby submit -

That the stone flagging of the pathway, from the
corner of Forest Street S. (Royal Hotel) round New Point
to the corner of the street (Hotel) is in
a very shabby, uneven, and broken condition
owing to the ordinary wear and tear of the traffic,
the continual disturbance by water carts, &c. &c.
needs, and the extensive building operations in the
locality, which latter of course will add very
considerably to the rates derived from the property.

We therefore most respectfully request, that the
said footpath be taken up, relaid, and thoroughly
repaired where required, and we trust you will
give this application your most favorable
consideration as early as possible -

Yours faithfully

The Town Surveyor estimates the cost of
new flagging complete from River Port Hotel
to Mackinac St @ \$297. 00 and for
repair & relaying River Port Hotel to Front St
@ \$45. 00 - Under the foregoing estimate the
amount in two instances should be made a part
of this.
