

## **Petition - Protesting against Bye Law No 23**

### **Prayer**

To the Mayor and Councillors of the City of Sandhurst  
6/3/91

Gentlemen,

We the undersigned Dairyman beg to protest against enforcement of Bye-Law No. 23 re market dues on milk as we supply our customers under contract and in our opinion selling milk to casual customers is more of a public convenience than a source of profit to ourselves hoping you will give this matter your favourable consideration

### **Notes**

On 6 March 1891- Nineteen of Sandhurst's Dairymen objected to the Council's Bye Law No. 23, which set "Market dues on Milk". Dairymen provided an important door-to-door service in nineteenth century Sandhurst. The Council's City Inspector reported regularly on the state of local dairies, and the quality of their milk. In an 1893 report, the Council's Analyst, Dr. Eadie, found that milk samples from local dairies were excellent.

Dr. Eadie to Bendigo Council, 25/11/1893, Box 38, Sandhurst-Bendigo Inwards Correspondence, BRAC.

Geographically, dairies were located within the various suburbs of the city, as well as on its outskirts. This geographic diversity continued well into the twentieth century.
