New Shum April 16th

To the City Council of
Sandhurst Gentlemen

The undersigned hereby
Call your attention to that
portion of the water table

In Lilly Street At the crossing
of Mackenzie Street opposite
The Bible Christian Chapel

As to the great necessity of
repairing it before rain

As All the water that comes
down Lilly Street flows over onto

Our Allotments leaving our
ground valueless and deluged

With water hoping gentlemen

that you will get it

before any further

Gentlemen calling your
attention to this the traffic
across the water table
has brought it to a level
with the street so preventing
the water of having its former
course to the creek

Citizens
We remain yours gentlemen
