Sandhurst
14th March 1872

The Worshipful the Mayor & Councillors of The City of Sandhurst

Gentn

We the undersigned owners & occupiers of the several properties fronting Barkly Lane beg most respectfully to bring under your notice the very bad condition of the roadway & gutters of the said Lane & in requesting that you will kindly cause the same to be properly formed & put into useable repair, would remind you that these properties have been rated since about 1857 & that up to this time hardly anything has been done in the way of improving the approaches thereto. Trusting that you will favourably consider this application & that the road may be made passable before the winter sets in

We are Gentn
Yours Respectfully
