

### **Petition – for a hole in Panton Street to be filled up**

To the Worshipful the Mayor, and Councillors of the City of Sandhurst

The Petition of the undersigned Ratepayers and Residents humbly sheweth –

That, situated in Panton Street, (east end) there is a large hole that is made a receptacle of refuse and rubbish, and in hot weather the effluvia arising from it, is very dangerous to health, and especially where there is a large number of children,

Therefore your petitioners respectfully beg that you will take into your Consideration the means of having the Said hole filled up, and the necessity there is for having it done, before the approaching Summer sets in and your petitioners as in duty bound will ever pray –
