

## Petition from Butchers to dress veal in their shops

### Prayer

To the Worshipful

The Mayor and Councillors of The City of Sandhurst  
Gentlemen

We the undersigned Butchers residing within The City boundary, respectfully beg that you will allow us to dress our veal at our respective residences- the same being slaughtered and bled at the Abbatoirs before coming onto our premises. As this would be a very great boon to us, especially during summer months, we trust you will look at the matter favourably and grant the request.

We are Gentlemen  
yours most respectfully

October 30th 1873

### Notes

30 October 1873- Butchers Petition.

These local Butchers asked simply that they be allowed **“to dress our veal”** at their own business establishments. Compare this request to what the next generation of local Butchers petitioned for on the 9 October 1896, they wished to continue to have **“the privilege we have held for many years of killing small stock upon our own premises.”**
