Gentlemen

We the undersigned ratepayers of the Barkly Ward residing at Garden Gully beg to call your attention to the manner in which we are situated, We beg to inform you that the ground we refer to have been purchased upwards of six years, and on account of some residents closely fencing their property we have no road whereby carts with wood or otherwise can get near to our residences. We therefore humbly pray that you will form a street from the back of the Manchester Arms Hotel across [across] to Garden Gully in the direction of or opposite to the Kentish Claim.

We earnestly request that you will attend to this important matter at an early date and oblige.
