

Petition – Extension of Wattle Street

Sandhurst
March 15th /72

To the Worshipful the Mayor & Councillors of the City of Sandhurst

Gentlemen

We the undersigned residents of Wattle Street Extention (off High St), beg most respectfully to call your attention to the Necessity of the Street being formed and Channelled, before the winter rains set in otherwise we should be cut off from communication with the Street, in consequence of some of the residents in High Street filling up their allotments, and stoping the natural drainage of the ground, thereby daming back the water on our several allotments

We would furthur call your attention to the fact that Chinamen are carting stuff from the Street to fill up neighbouring allotments thereby leaving holes for stagnant water, and taking away the soil that will be necessary for the makings of the street.

Trusting this will receive your earliest attention
We remain Gentlemen
Yours Respectfully
