

## **Petitions For & Against - reduction in width of Harrison Street**

### **Petition - For**

To the Mayor and Councillors of the City of Sandhurst

We the undersigned ratepayers residing in and about Harrison Street, petition, that the breadth of that Street be altered from one chain and a half to one chain in breadth. We beg to submit, that should you deem it expedient to grant the alteration the public would be benefitted, by the additional land that would thereby be utilised for residence on the south side of the Street, and that no injury would be done to owners of property nor vested interests interfered with in any way.

Harrison Stt

Sandhurst 27<sup>th</sup> 1872

To the Worshipful the Mayor and  
Councillors of the City of Sandhurst

Gentlemen

We are quite surprised to find  
that there is a movement being made,  
by four residents, of Harrison Stt,  
to try and get the said Stt, reduced  
in width; Lomaney and Rause do  
not live in Harrison Stt, therefore  
they have no interest in the same,  
these four residents knew when they  
built that the Stt was 99 feet in  
width, the residents on the north  
side of said Stt having lived their  
most of them for 9 years and some  
having spent from one to over  
two thousand pounds in improve-  
ments strongly object to said Stt,  
being made a lane, and we the under-  
signed hope, should your Honorable  
Council be inclined to assist these  
four, in gaining their wish, that  
you will give us time to lay our  
case before the Minister of Lands, and  
we beg to be allowed to draw your  
attention, that should you accede to  
or in any way assist in reducing  
over

The wish of said Stt, that it will  
be taken as a precedent, by any  
that feel inclined to suit their  
own ends, we feel assured that  
you will not act unjustly, to  
the first residents and property  
owners, neither will your Hon Council  
destroy the harmony of the laying  
off, of the different Stt and we  
the undersigned will ever pray

Your Obedient Servants
