

Petition – For more accommodation at the Wholesale Vegetable Market (Part Two)

To the Mayor and Councillors of the Borough of Sandhurst

28 April 1871

Gentlemen,

UNDERSTANDING that the Farmers and Market Gardeners of Bendigo are petitioning you, the Borough Council of Sandhurst, to erect more accommodation for the Wholesale Vegetable Market, we, the undermentioned Ratepayers of Sandhurst, do respectfully beg that you will grant their Petition and cause said accommodation to be erected near to the new Retail Market, on the South-west side of the Square, we considering that site advantageous both to Wholesale and Retail Vendors, and likely to tend to the success of the New Market, and as being only fair to Ratepayers in the locality, as they have been deprived of the benefit of a close vicinity to the Weighbridge and Hay Market.
