

Prayer – for improvements in Wattle Lane & Forrest Street

Oct 10th / 72

To his Worshipfull the Mayor & Town Council of Sandhurst

Gentlemen

We the undersigned, owners of property and residents in Forest St & Wattle Lane & vicinity between Boundary St & the Bridge across Ironbark Gully, would respectfully draw your attention to the locality; that you may see there is ~~is~~ valuable property erected, being erected, & likely to be erected, the rates you will perceive will be very considerable, yet the old tree stumps are yet in Wattle Lane & we have no footpath nor water channel in a fine street like Forest Street where the traffic is very great & will be much more; what we would require would be; to form Wattle Lane & cut water channells & also to do a little to Forest St; form the footpaths, put kerbing & water channels, trusting this will meet with your favourable consideration we

Remain Gentlemen
Yours Respectfully
