

## **Petition – Ratepayers in King St & Dowling St for their formation**

Sandhurst  
August 1<sup>st</sup> 1870

To the Mayor and Councillor's of the Borough of Sandhurst

Gentlemen

We the undersigned Ratepayers to the Borough Council of Sandhurst do most Respectfully pray that you will take into your erenest Consideration the Necessity of Repairing and making passable -

King and Will's Street. King Street more especially it deserves your most Ernest attention it being both dangerous to foot passenger's as well as Vehicles – and the placing of Lamp Post's at the Required distance's is fully required in this Street as well as Will's Street is totally devoid of light's. King Street should be made to the Cross Road's at the Three Arch Bridge we therefore beg of you that you will at once see the necessity of giving these Street's in the Rising Vicinity of Sandhurst your most earnest and immediate attention as now we do not think we are asking for these works to be carried out at once or that we are asking for anything premature we have waited for a long time and Considering the great importance of this part of Sandhurst we fully think that our request should be at once attended to. We beg to draw your attention to the fact that many places of Residence in these Street's are quite inaccessible direct to our Residence's and the fact that the Railway Reserve is now becoming a place of importance and the Amount of Traffic to these street's from Sheeps Head's &c brings the matter's forward for your most Ernest attention and your petitioners will for Ever Pray.

Sandhurst August 1<sup>st</sup>  
1870

To the Mayor and Councilors of the  
Borough of Sandhurst  
Gentlemen

We the undersigned Ratepayers to the Borough Council of  
Sandhurst do most Respectfully pray that you will take into your  
earnest Consideration the Necessity of Repairing and making passable —  
King and Will's Street. King Street more especially it  
deserves your most Earnest attention it being both dangerous to foot passengers as  
well as Vehicles — and the placing of Lamp Posts at the Required distances  
is fully required in this Street as well as Will's Street is totally devoid of  
lights. King Street should be made to the Cross Roads at the Three Arch Bridge  
we therefore beg of you that you will at once see the necessity of giving these Streets  
in the Rising Vicinity of Sandhurst your most Earnest and immediate attention — as now we  
do not think we are asking for these works to be carried out at once or that we are ~~as~~  
asking for anything premature we have waited for a long time and Considering  
the great importance of this part of Sandhurst we fully think that our request  
should be at once attended to. We beg to draw your ~~your~~ attention to the fact  
that many places of Residence in these Streets are quite inaccessible direct to our  
Residence — and the fact that the Railway Reserve is now becoming a place of  
importance and the Amount of Traffic to these streets from Snapes Road &c  
brings the matter forward for your most Earnest attention and your ~~your~~  
petitioners will for ever Pray

The same engineer reports that he estimates the  
cost of forming & graveling along the four miles  
to bridge the so named & section (near a mile)  
at \$254 - and the cost of forming bridge to

the same distance at \$380 -

The erection of lamp posts would distance us

other than means the would cost at \$50

A maintenance \$90 per annum
