

Petition – Complaining of a ditch in Short Street

To the City Council of Sandhurst

We the undersigned ratepayers and holders of property in Short Street do earnestly beg that some steps may be taken to remedy an intolerable nuisance in front of our houses – there is a great ditch which smells so bad we are really alarmed for the health of our children and ourselves

We have frequently spoken to Dr Cruikshank and Inspector Drought who inform us our only redress is to write to the Council

Trusting you will have it remedied

Petition
Complaining of
Ditch in Short
Street

Recd 28/8/72 8

To the City Council
of Sandhurst

We the undersigned
ratepayers and holders of
property in Short Street
do earnestly beg that some
steps may be taken to
remedy an intolerable
nuisance in front of our
houses - there is a great
ditch which smells so

Refered to Sanitary Dept

The Surveyor reports in re
complaint from Short St. - That
there is an open earth drain
from High Street to the creek
with very little fall. will
ultimately require an expensive
drain - Will at once clean
out the present drain &
improve it.

George R. Kettner
Surveyor
6/9/72

Good we are really alarmed
for the health of our
children and ourselves
We have frequently spoken
to Dr. Cruikshank and
Inspector Drought who
inform us our only address
is to write to the Council
Trusting you will have it
remedied
