

## **Petition – Against the removal of Trumpery Office for weighbridge**

To the ~~Mayor and Councillors~~ Chairman & Members of the Market Committee  
of the Borough of Sandhurst

Gentlemen

We the undersigned having heard that it is the intention of the Borough Council to remove the old trumpery office now used in connection with the Weigh-bridge to the new site on the northern side of the Town Hall, most respectfully beg a re-consideration of the matter with a view to at once erecting a suitable brick office as agreed upon by the Council in the first instance. And we do so, considering the large amount of revenue derived by the Borough from the farming interest which has been hitherto to a great extent neglected. We further beg to say that in our opinion it would be a useless outlay of money and most unwise to re-erect the present old office.
