To the Mayor & Members of City Council

Gentlemen,

We beg to call your attention to the state of the Bath Lane. A considerable portion of it is yet unformed and the bridge over the gutter at the rear of the sale yard is not what it ought to be ... accidents have occurred ... we beg respectfully to suggest that the lane be formed from Mitchell St. to the next cross st. & that proper culverts be erected.

Your Obdt. Servts.

To the Mayor & members
of City Council.

Gentlemen

I beg to call your
attention to the state of the
Bath Lane. a consider-
able portion of it is yet
unformed & the bridge
over the gutter at the rear
of the Sale Yard is
not what it ought to be
a few days ago the
horse of a poor wood-
Carter was killed -

whilst passing over this
bridge it swerved a
little to one side & the
end of one one of the
broken posts sticking up
at the side of the bridge
ran into its belly & rift
the poor brute open - it
died in a few minutes
the traffic thro this lane
has increased very much
lately & if something is
not done to put it in better
condition than sure
that some accident
will occur that will

bring the Council into
trouble - They respect-
fully to suggest that the
lane be formed from
Mitchell St. to the next
Cross St. & that proper
culverts be erected -
