

Petition – Better Water Supply for Inglewood Road and Little Webster Street

Inglewood Road
Dec. 6th, 1898

To His Worship the Mayor and City Council of Bendigo

Gentlemen the undersigned ratepayers of the City beg respectfully to draw your attention to the inadequate supply of water in our locality (Viz) Inglewood road and Little Webster Streets west. There has been a large increase of buildings in this locality extending nearly to Specimen Hill, and we trust that the council will use their best endeavours with the Water Supply department to obtain us a better supply of water which we can assure you is much needed more especially during the summer months when many of us are entirely without a supply of water and your petitioners will ever pray.
