

Petition – New bridge for Charring Cross

To the Worshipful the Mayor & Councillors of the City of Sandhurst

Petition of the
Ratepayers and Property-holders of View Point, Charing Cross, and Pall Mall, Sandhurst

Respectfully sheweth –

That we are of opinion the building of a New Bridge, or raising the old one, from Mr Loridan's new building to the Camp Reserve fence, is a Work that should be carried out by your honorable Council before the winter rains set in, as disastrous results must ensue to house property along Charing Cross, as also to View Point and Pall Mall, in case of an overflow of water at the bridge opposite the Royal Hotel.

We therefore ask your Council to take into consideration the importance of this request, and your petitioners will every pray, &c.,

Yours obediently,

[3 May 1872]

List of Petitioners
