

## **Petition – For footpath in Mc Crae St**

To The Mayor and Councillors of the city of Sandhurst

Gentlemen

We the undersigned beg respectfully to recall your attention to a numerously signed memorial presented some months since by the ratepayers and others of this portion of the city; urging the nescesity and praying for the construction of a foot path on McCrae Street from Conroy's bridge where it at present terminates, to the White Hills Hotel, where the foot path from the White Hills Hamlet reaches to. Our memorial above referred to sets before you the great want of this footpath and the danger to children and others travelling on foot on this street to and from town, and as the prayer of our petition was only postponed pending a report thereon from the town Surveyor we trust that you will order forthwith the Construction of at least a portion of the above much required work.

We are Gentlemen  
Your obedient Servts
