

Prayer – Formation of Cemetery Street through Reserve to Barnard Street

To The Worshipful The Mayor and Councillors of the City of Sandhurst

Gentlemen,

Your memorialists most respectfully beg to ask that Cemetery St may be continued on from Bridge Street, through the reserve, to [Bernard] Street, and thus open up a direct route from Iron Bark to Bridge Street, and thereby confer, not only a great benefit to Bridge Street, but the city of Sandhurst generally.

Your memorialists would also beg to call your attention to the fact that a street formed, leading from the Bendigo Hotel, to [Bernard] St, has been closed for many months past, and likely to be so closed for a long time to come, and when open will be of little or no benefit to Bridge St., and your

Memorialists wish respectfully to suggest that the continuation of Cemetery Street to [Bernard] Street could be made at - comparatively speaking – a small outlay and would supply a want long felt in Bridge Street, and your Memorialists trust that you will take the matter into your serious consideration, and cause the necessary work to be done as soon as possible, and your Memorialists as in duty bound will ever pray & etc.
