

To the Mayor and Councillors of the City of Sandhurst

Gentlemen

We, the undersigned, Freeholders, miners and others holding property and mining interests in Robinson Crusoe Gully and the immediate vicinity, seeing that a memorial signed by some of the inhabitants of this neighbourhood has been presented to the council objecting to the Grant of a site for a Reservoir in the said Gully.

We beg most distinctly to state that the aforesaid memorial does not represent the views or wishes of the majority of the residents in this locality

We consider, as regards alluvial mining especially, that that portion of the Gully which is applied for to be completely worked out, and we shall have no objection to see the Ground utilized by having it formed into a Reservoir providing owners of property and lessees are compensated for any losses or injury they may receive by removal
