

Petition – Ratepayers in Panton Street – Owens occupation

To the Worshipful the Mayor
and Borouh Council of Sandhurst

We the undersigned Burgesses of Golden Square and Panton Street would respectfully solicit your attention to the following facts. -

1st That the ratepayers of this locality having purchased property on the faith of having free access to and from High Street would request that a Street be formed in connecting Panton Street with High Street.

2nd That the track used by the public at present and on which considerable traffic exists is through private property which may at any time be fenced in thereby causing much inconvenience to your petitioners and the public at large

3rd That a plot of ground having a frontage to High Street of about one and a half chains and which was believed to be a Street lies betwixt allotment 8 Sec 19a and the Shendandoah Co Lease which your petitioners would urge your Worshipful Council to have at once formed

4th That the above described plot of ground has within the last few days been marked off as a residence area and building materials on the ground, which if allowed to progress will completely cut off access to and from High Street thus inflicting on your petitioners much inconvenience beside a considerable depreciation on the value of their property. And your petitioners will ever pray &c &c
