To the Mayor & Councillors of the City of Sandhurst

Gentlemen

We the undersigned being Ratepayers in the immediate locality of Lilly Street beg most respectfully to call your attention to the dangerous State of the Road and the constant need of repairs outside the Washington Hotel and the forming a pathway on the South side of high Street and surveying the road in continuation of Lilly Street, and the filling in of a large water Hole which might have proved fatal to a man who lately fell into it and as this Road leads directly to many working mens homes and claims the increase of traffic is very great. We feel Gentlemen persuaded that if you examine into the nature of our request and the numerous promises that has been made to remedy those causes of complaint that you will at once comply with our earnest request and conceal those improvements so urgently required

We are Gentlemen Yours most respectfully
