May 3rd 1871

To
The Mayor and Councillors of the Borough of Sandhurst

Gentlemen

We the undersigned Ratepayers in Drought Street, at the back of the Benevolent Asylum beg leave to draw your attention to the following. The road leading from Arnold Street has never been formed and from the many holes and obstructions we cannot without danger to our lives leave our dwellings after dark.

We therefore humbly beg you will before the winter sets in, make it passable for Traffic.

We are Gentlemen
Your Obdt. Servts.
