

Petition – not to impound goats in Harrison Street

To His Worshipful the Mayor & Councillors of the City of Sandhurst

We the undersigned respectfully and humbly request that you withdraw the goat inspector from Little Ironbark and Ironbark Gully as none of the neighbours but Mr. Cartwright considers the goat a nuisance.

If Mr. Cartwright would repair his miserable dilapidated fence he would not be troubled with goats or dogs. The inhabitants think it hard to be deprived of their goats for the accommodation of one man more especially as we living so far from the city experience great difficulty in getting milk for our children twice a day.

And your petitioners will ever pray
