

## **Petition – For forming and channelling street unnamed in Long Gully**

Long Gully June 26<sup>th</sup> 1872

To the Worshipfull the Mayor and Councillors of the City of Sandhurst

Gent<sup>n</sup>

The undersigned ratepayers of that portion of Long Gully, north of the bridge beg to represent to your honorable body the very urgent necessity of forming & channelling the street – unnamed – marked blue in the accompanying plan, as all the storm water coming from Danger hill above the Church of England Reserve flows during every rainfall with very great violence through all the allotments above and below that street and doing considerable damage to property, as the City Surveyor can testify on your instructing him to visit the locality & reporting thereon.

We beg to remain  
Gentlemen  
Your most obedient servants
