

Petition – for Council to remove house off Booth Street

Booth St
9th April 1874

The Mayor and City Councillors
Gentlemen,

The petition of the undersigned tradesmen, Miners and others respectfully sheweth that whereas a house situated on Booth St and occupied by John Hodge is a great obstruction to the street and also calculated to depreciate the value of property as well as the probability of accident that may be caused thereby, - we would therefore earnestly request that such compensation may be granted as will enable him to remove and your petitioners as in duty bound will ever plea
