

Petition – For formation of Garsed Street

To the Mayor and Councillors of the City of Sandhurst

We the undersigned being inhabitants and property owners in Street unnamed beg most respectfully to call your attention to the deplorable state of the drainage of said Street, in wet weather the road is impassable for man and beast, the water from want of proper channels is either dammed up in front of our residencies or forces its way through our properties, we humbly submit that a great improvement at little expence would result if a drain was cut on the outside of footway to Edward Street
