To the Mayor
and Councillors
of the City of Sandhurst

Gentlemen

We the undersigned
residents and rate payers of and about
the neighbourhood of Inglewood road or
Alley Street Ironbark—humbly request
that you may see fit to have a foot-
path formed on the south side of the
road commencing at the Quartz Miners
Arms Hotel and to the top of the hill
above the Gold Mines Hotel. This work
is much needed it being almost an
impossibility for persons on foot to travel
this portion of the road in wet weather
and with great inconvenience at any
time and we would also impress you
with the necessity of having the traffic
portions of the said road laid with
broken metal in lieu of the tailings
as previously there being a large amount
of traffic on this portion of the road
and it has always been in a
very bad state as poor as we have
any wet weather and almost
as bad in dry weather being
cut up and often ankle deep
in mud or dust. Trusting you
will see fit to carry out this
much required improvement at an

early date. we are gentlemen
