

### **Petition – To remove 3 huts from Booth Street**

Unto His Worship the Mayor and the Honorable the Councillors of the City of Sandhurst

The Humble Petition of the undersigned residents and ratepayers in Booth Street,  
Golden Square

Humbly Showeth

That your Petitioners would respectfully draw your attention to the following facts.

That the allotments of land, both on the eastern and western sides of Booth Street from Old High Street to McKenzie Streets, have been fenced in, and upon them substantial dwelling houses have been recently erected.

That this street is completely disfigured by 3 small huts, the aggregate worth of which will not exceed Twenty Pounds, and that one of these huts is a positive nuisance, the occupants of it having for their Convenience erected a sort of privy or closet within a yard of the track formed by the Council, the entrance to the said closet being covered by an old sack, and in fine, these tumble down buildings are not only unsightly, and a disgrace to the neighbourhood, but a real obstruction to the traffic on the Street, an eyesore to people who have toiled hard and expended goodly sums in the erection of comfortable homes for themselves and families, and their removal is urgently demanded

Your Petitioners would be very far indeed from asking anything from the Council that would be unreasonable, but on public grounds, and on the ground of public convenience they believe the removal of these huts is a reasonable request

May it therefore please the Council to give instructions to the proper Officer to visit the locality and report, and if it be within the power of the Council, may they be pleased to cause it to be notified to the owners of these huts, that they must be removed forthwith.

And your Petitioners, as in duty bound, will ever pray &c
