

## **Petition – Cyclists & Citizens re Upper Reserve Sports Ground (Part Two)**

27.08.1897

To His Worship the Mayor and City Councillors of Bendigo

Gentlemen,

We, the undersigned Citizens & Cyclists of Bendigo and District, beg to bring under your notice the probability of the Show Grounds racing track being condemned by the L.V.W., and we consider this would be detrimental to the interest of Bendigo and district, and urge the importance of considering the necessity of laying down a properly constructed track in Bendigo, and suggest therefore the Upper Reserve as being most centrally situated and in every way adapted for the purpose, and this would be a favourable opportunity for forming it into an up-to-date Sports Ground.
