

## **Petition – Market Gardeners for more accommodation**

To the Mayor and Councilors of Sandhurst

Gentlemen

We the undersigned Market Gardeners of Lockwood and its Vicinity most humbly sheweth – That The Shed which is provided for the sale of our produce, is so situated that whenever it rains, the place is rendered quite unfit for use being covered with mire and filth = For ever since the Hay Market was changed, the horses have been tied in the Shed, which has added very much to our inconvenience, and the annoyance of Customers – Last Winter in consequence of the quantities of rain which fell and the want of proper shelter, the water came pouring through rendering the place miserable in the extreme having to stand ankle deep in mire and dirt – From the nature of our calling we are of necessity obliged to endure a great deal through cold and wet in going to Market. But which might be greatly mitigated, if we had a dry comfortable place to go into instead of having to stand in the wet – What we pray for, is to have the shed moved from where it is at present to a dryer place near the ~~Retail~~ New Market and to have additional sheds erected for all, who are most willing to pay Market dues

And we shall as in Duty bound ever Pray
