

## **Petition – Bad condition of Sheepshead Road**

The undersigned ratepayers, residing in the neighbourhood of Sheepshead, would respectfully desire to draw the attention of the City Council to the bad condition of a road which runs along Sheepshead, immediately below Mr Von Dohrens residence; being out of the way, it has been very much neglected, and at present, it is in many places, greatly in need of repair – As it is the only one we can use, we trust the City Surveyor may be instructed to do a little towards putting it into a decent state for traffic.
