

## **Petition – Bullock Creek Road ratepayers for its formation**

April 13<sup>th</sup> 1871

To the Sandhurst Borough Council

Gentlemen

We the ratepayers residing on and in the vicinity of the Bullock Creek road beg most respectfully to direct your early attention to the question of the formation of that road so long neglected and which during the recent floods caused very serious damage to the ratepayers. It should also be recollected that it is the only approach to the Kangaroo Flat Cemetery and that all rateable property from O'Dwyers corner to the Boundary is either let or leased. In its present state it is not only extremely inconvenient but very dangerous and the residents are at this moment dreading the event of another flood.

As the formation will not entail much expense we sincerely trust that no further delay will occur.

We are Gentlemen  
Respectfully
