

Petition – for licensed drayman against being removed to Charing Cross

Recd 26/4/72

To the Worshipful The Mayor and Councillors of the City of Sandhurst

Worshipful Sir and Gentlemen

We the undersigned “Licensed Draymen, beg most respectfully to appeal against an order which we received from the Town Inspector on the 22nd Inst. to the effect that we were to remove from the position which has hitherto been occupied by us, as a Stand opposite the Victoria Hotel in Pall Mall - To the Vacant Space called Charing Cross at the intersection of the various streets leading into Pall Mall – We were quite unprepared for such a change. Nevertheless we complied with the order which we received, but now appeal to you Gentlemen, in the hope that you may allow us to occupy our old position.

We consider that the site of the new stand is objectionable, From its exposed position, being in the direct way of the Thoroughfare, from the Railway Station down Mitchell St towards View Place and from High St towards Pall Mall and liable to any accident which might happen through run away horses – and from its isolated position there is no shelter for man or beast – At the lately occupied stand there was some sort of protection afforded by the Trees and Camp Fence and in severe weather, by an arrangement between ourselves, one or two men could attend to the horses, whilst the remainder could shelter under the verandahs.

In the newly selected position such an arrangement could not be carried into effect – We do not think there is any necessity for our removal – for had the orders of your Council been carried into effect – That Horses and Vehicles were not allowed to be fastened to the fence along Pall Mall Such removal would not be necessary and as the hoarding in front of the Bee Hive is now being removed by which a deal more room will be obtained we humbly hope that your honorable Council will consider our case and allow us to resume our old position and your petitioners as in duty bound will ever pray.

To the Worshipful
The Mayor,
and Councillors of the City
of Santhurst

Worshipful Sir
And Gentlemen

We the undersigned "Licensed
Traymen, by most respectfully to appeal
against an order which we received from the
Town Inspector on the 22nd Inst. to the effect
that we were to remove from the position which
has hitherto been occupied by us, as a stand
opposite the Victoria Hotel in Pall Mall - To
the vacant space called Charing Cross, at
the intersection of the various streets leading
into Pall Mall - We were quite unprepared
for such a change. Nevertheless, we complied with
the order which we received, but now appeal
to you Gentlemen, in the hope that you may
allow us to occupy our old position.

We consider that the site of the new stand
is objectionable, from its exposed position, being
in the direct way of the Thoroughfare, from the
Railway Station down Drutchell St towards
New Place and from High St towards Pall Mall
and liable to any accident which might happen
through run away horses - and from its
isolated position there is no shelter for
man or beast - At the lately occupied
stand there was some sort of protection

afforded by the Trees and Camp Fence
and in severe weather, by an arrangement
between ourselves, one or two men could
attend to the horses, whilst the remainder
could shelter under the Verandahs.

In the newly selected position, such an
arrangement could not be carried into
effect - We do not think there is any
necessity for our removal - for had the
orders of your Council been carried into
effect - that horses and vehicles were not
allowed to be fastened to the fence along
Pall Mall such removal would not be necessary
and as the hoarding in front of the Blue Room
is now being removed by which a deal more
room will be obtained, we humbly hope that
your honorable Council will consider our case
and allow us to resume our old position
and your petitioners so in duty bound
will ever pray.
