

Petition – For main along Hargreaves Street

1/11/72

To

The Worshipful the Mayor and Councilors of the City of Sandhurst

Memorial of the undersigned ratepayers sheweth the great want of Water-pipes in our vicinity so that in the event of a fire occurring we have no means in our power of arresting the devastation that must ensue.

We would most respectfully urge upon your honorable body the laying of pipes from the Spring Gully Main in Mitchell Street along Hargreaves Street with the necessary openings at intervals to screw on a hydrant. Trusting you will see the reasonableness of our application and comply therewith, and your Memorialists as in duty bound will ever pray.
